# WHAT IS BURGER HOUSE?

Burger House is a blockchain-based play-to-earn game that combines your culinary skills and progressive eagerness to build your own Burger House.

Burger House allows players to earn Binance Stablecoin BUSD while having fun!

# WHAT IS BURGER COINS?

Burger coins are used to hire new employees and upgrade your Burger House. You can buy them for BUSD

Burger Coins = 0.0005 BUSD

There is insane demand for the burgers so the burgers are 'sold like hotcakes'. Burger House generates income in Burger Cash which are redeemable for BUSD at 100 coins = 0.005 BUSD. Players can swap the Burger Bucks with BUSD at any time without any fees.

## GAMEPLAY:

Burger House is here to whip up our Master Chefs' culinary frenzy through interactive gameplay. You can hire a crew to increase the profitability of your Burger House. The multistorey tower of Burger House has a kitchen on every floor. Each floor unlocks as players progress in the game.

The higher the floor level, the higher the profitability.

## PLAY TO EARN:

The players, as Chefs, can't do it alone so they need a crew to meet the high demand for burgers in town. The crew is hired using Burger Coins which can be purchased with BUSD. One Burger Coin is worth 0.005 BUSD which means that players can purchase 1000 Burger Coins for just 1 BUSD.

There is insane demand for the burgers so the burgers are 'sold like hotcakes'. Burger House generates income in Burge Cash which are redeemable for BUSD at 100 = 0.005 BUSD. Players can swap the Burger Bucks with BUSD at any time without any fees.

# HOW DO PLAYERS GET BURGER CASH?

Every hour, revenue from all floors is collected at the cashier's office. Collecting profits every day, you will receive Burger Bugs in your in-game wallet. It is important to collect your profit daily, otherwise, you may have to lose a percentage of your profit for a delayed claim.

Burger Cash : 100 =  0.005 BUSD
